Aids LifeCycle, is the Annual 7-day, 545 mile bike ride from San Francisco to Los Angeles that raises money and awareness for the HIV and AIDS services of the **L.A. Gay & Lesbian Center** and the **San Francisco AIDS Foundation**. This year smutjunkies is participating in the ride and helping in the training of new riders preparing for the event.

Raging Stallion has been a long-time major supporter of the work here at smutjunkies / Gay Erotic Archives. And the constant support from the GunzBlazing staff has made their donation an extra bonus. As a means of saying Thank You, until the end of February we will be featuring the work of Raging Stallion and the host of releases from the GunzBlazing websites.
